SUMMER REGISTRATION

It is time for all of us to begin planning for our summer fun. If you could please help by letting us know if you are planning to change or suspend your child's enrollment for summer. Suspending their enrollment does not hold their spot for the fall if there is a waiting list for your child's classroom. If you are planning to send your school-age child we will need to know as soon as possible. We have many exciting activities planned for each age group. **The start date for summer is June 3rd.**

**Please remember your child must be enrolled a minimum of 3 days a week to stay enrolled in our program.*
