## Sweet Peas

Teacher: Ms. Kelly K., Miss Kelly R., Miss Christina

We would like to thank all the families for helping make our summer a success by accommodating water play, special treats, donations and snacks. We are jumping into Fall with our Giving Tree. Please take a moment to admire our classroom bulletin board. We have our classroom "wish list on apples. Please feel free to take an apple or two if you are able to donate any items for our classroom lesson plan activities. This month we will be focusing on "All About Our Hands". Where are our hands, waving, clapping, hand washing, signing, and nice hands. Thank you for allowing us to continue being a part of your child's learning and growing experience.

## Little Rascals

Teacher: Mrs. Lori, Miss Jasmine

Welcome to the new school year. The Little Rascals welcome a few new friends to our class as Grayson and Liam start at the center. We also want to give a shout out and blessing to Elijah and Claire as they moved over to the Shining Stars room. This month we will be reading a variety of books to observe where our children's interests are. As autumn approaches, some of our projects will be with apples and leaves. Paperwork will be sent home this month for parents to complete and return to your child's teacher. Parents, please be aware when bringing snack into our class, no small foods such as gummies, raisins, grapes,..etc, these foods are considered choking hazards for our toddlers. Your child's cubby is where information goes home. This would include reminders on what your child may need such as diapers, wipes, or a change of clothes. Please check cubbies for this information. We play to learn and learn through play.

## Shining Stars

Teachers: Miss Colleen, Miss Carri

Hello Parents! Happy Fall! We are excited for the new school year! This month we will be learning about music, animals, and the different things to do in the fall. Please make sure that you send in warmer extra clothes for your child as the cool weather approaches.

# Wise Owls

Teachers: Mrs. Toni, Miss Hannah

We are excited to welcome our new friends to our classroom. We have so many great things planned for this school year. For the first few weeks we will take some time getting to know each other and learning about our new room. Please make sure your extra clothes are updated and ready for cooler weather that's quickly approaching. Also, if you haven't already, please join us on Remind so that we can keep in touch. The information is posted outside of the classroom on our parent board.

# Busy Bees

Teacher: Mrs. Frances, Ms. Karen

Hello and welcome to our new crop of Busy Bees! Our first week has gone smoothly as the children have done well getting acquainted with their new surroundings and routine. The next couple of weeks will be spent comparing and contrasting letters and numbers. We hope to enjoy some cooler temperatures and see the leaves begin to change colors as we learn about autumn. We have a few reminders to pass on. Please remember to sign in/out your child in the binder located on top of our green mailbox shelf in our classroom. That is where you will also find any important sign-up sheets. Finally, please update your child's change of clothes for seasonal and growth changes.

# Explorers

Teacher: Mrs. Ehret, Mrs. Deb

Welcome to Pre-K. All of our friends are adjusting so well and getting into our new routine. The children have shared their interests with us and discussed things they want to learn about. We will be working on all of those topics in the upcoming months. We are also beginning to work on learning our letters as many have shown interest in reading.

Reminders: If you have not joined Class Dojo, please do so. Please see us if you need your code again or need help signing up.
